

Greenwich Direct Apprenticeship

Start your career with an apprenticeship based in Royal Borough of Greenwich Council. Undertaking an apprenticeship means you'll have on-going learning and development with prospects for future progression. Royal Borough of Greenwich offers a range of apprenticeships across many sectors, including a variety of business administration apprenticeships.

The first stage to applying for these roles is to register your interest with us. If you meet all the requirements for an apprenticeship, you will then be invited to join our talent pool, giving you access to or apprenticeship roles. Once you are confirmed into the talent pool, you will have access to apply to apprentice opportunities as they arise across the organisation.

Why choose an apprenticeship with Royal Greenwich?

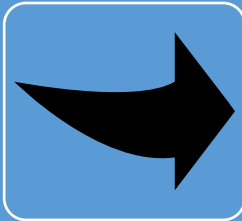

Apprenticeships provide the opportunity to gain vocational qualifications, whilst gaining valuable workplace skills and experience. Successful candidates will secure a fixed term contract in the council on a highly competitive apprenticeship salary.

Roles are 35 hours per week (including training) and on successful completion you will receive a nationally recognised apprenticeship (you will have study release for this).
